FOR IMMEDIATE RELEASE

# reFocus Awards Honors Steve Majsak at the 2023 World Photo Annual

The reFocus Awards has announced the winners of its 2023 World Photo Annual.

The World Photo Annual, our most prestigious contest, is a yearly celebration of the enduring power of photography, where Photographer of the Year titles are awarded to those whose work exemplifies outstanding achievements in photography. Winners are selected for their mastery of photography and ability to expand the viewer's worldview, explore the unexpected, or reframe a subject through their work. An esteemed international panel of judges, including representatives from Conde Nast, Saatchi Art, Leica Gallery, Phaidon Press, and more, select the winners. Honorees awarded at the World Photo Annual embody photographic excellence on a global level.

Please join us in congratulating Steve Majsak as a winner of the 2023 World Photo Annual.

Out of entrants from 70 countries who have submitted their work to the 2023 World Photo Annual, Steve Majsak is recognized as one of the most distinctive and has received the following honors:

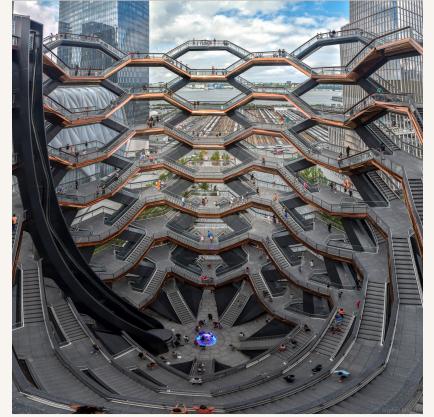

**Silver** Architecture
